

Okayo Compact 30W Portable PA Systems

Not much larger than a shoebox and weighing just 4kg it is very compact and produces a clean crisp sound from its powerful 30W amplifier. The inbuilt battery will provide several hours of use away from mains power. Alternatively the unit may be powered from the mains by the AC/DC adapter provided.

Three versions are available. All models include the same amplifier, power supply, battery and charging circuit. The amplifier includes a 6.35mm mic input plus 3.5mm auxiliary input, both with volume controls. Tone and master volumes are also provided.

UHF & MP3 Model: Includes UHF receiver plus an additional MP3 player which accepts both USB stick or SD card. Provision for an additional UHF module.

- C 7206 Base Model: Provision for 2 UHF modules.
- C 7207 UHF Model: Includes a 96 channel UHF mic receiver for roaming applications. Provision for an additional UHF module.
- C 7210 UHF & MP3 Model: Includes UHF receiver plus an MP3 player with USB stick & SD card input. Provision for an additional UHF module.
